QUOTATION TABULATION

General Services
(Procurement) Division

Thank you for your response to our Request for Quotation # D210-071-R2. For your information, the following is a tabulation of all responses which were received. This quotation was awarded to: **Bobcat of St. Louis – Columbia (w/ MoDOT pick up option)**. If you have any questions, please contact me. Buyer: William D. “Bill” Noyes, CPPO, CPPB, Senior Procurement Agent

The following quotes were received for a two-week (10 working day) rental of one trackhoe, without operator, for the rental period of June 7 through June 18, 2010. The trackhoe was to be similar in size to a John Deere 160C/D and come equipped with a 36” bucket with teeth. The rental price quoted was to include all costs, including delivery to and pickup from the locations indicated, and any expenses related to the requirements and specifications detailed within the RFQ document.

The unit was to be delivered to the job site in Livingston County on Route 65, 2 miles South of the Route 36 junction. At the completion of the rental period the unit was to be picked up at either the MoDOT District 2 Chillicothe or Brookfield Maintenance Buildings. Vendors were asked to provide specific information on the unit being quoted, as well as the location of the unit, and a dollar amount which could be deducted from the rental rate if MoDOT elected to pick up the unit at that location at the start of the rental period and return it to that location at the end of the rental period.
